**SPONSORSHIP  
OPPORTUNITIES**

HM Government of Gibraltar, The Gibraltar Port Authority, Gibraltar Maritime Administration, University of Gibraltar Maritime Academy and Petrosport are proud to announce the second edition of the biennial *Maritime Week Gibraltar*, a global showcase for one of the most efficient, secure and professionally-managed Ports in the world.

Building on the huge success of the inaugural event in June 2021, *MWG 2023* will demonstrate the advantages that make Gibraltar the rock-solid partner for global shipping.

## ABOUT MWG2023

Strategically located at the crossroads of the Mediterranean and Atlantic and of Europe and Africa, Gibraltar is the most important bunkering hub in the Mediterranean but also provides a range of key maritime services, from ship repair and agency to hull cleaning and surveying, from major cruise destination to superyacht haven, from thriving financial and legal centre to preferred crew change location. Through a range of events, including a Flagship Conference, highly focused breakout sessions, bunker and LNG training courses, technical site visits, an exhibition and a wide range of fabulous networking opportunities, *Maritime Week Gibraltar* will demonstrate why Gibraltar has come to be recognised as a rock-solid partner for global shipping.

## VENUE

Petrosport will be holding *Maritime Week Gibraltar 2023* at the **Sunborn Gibraltar**.
